

# MAZDA & MAZDASPEED DECAL APPLICATION GUIDE

## Placement guide for Non-Formula cars

The following are requirements for all Mazda racers to be eligible for Mazda contingency.

**MAZDASPEED**

26"

Place 26" length MAZDASPEED logo decal on foremost part of hood. MAZDASPEED decals are available in white, black and silver and blue. Other than these colors, the only other color permitted is orange. Tilting, outlining or offsetting (dropshadow) is *NOT* permitted and the decal must be placed on a solid color background.

**mazda**

22"

Place a 22" length (minimum) Mazda logo decal on each rear quarter panel above wheel opening (note the brand symbol or "winged M" should no longer be used with Mazda decal on the rear quarter panels). Mazda Decals are available in white, black, silver and blue (no other color may be used). Mazda decal must be placed on an area of the car with a solid color background. The Mazda decal should not be tilted or displayed at an angle. Outlining or offsetting (dropshadow) of the Mazda logo is *NOT* permitted.

5" Mazda Patch

A 5" Mazda patch must also be sewn to the front of your driver's suit in the pocket area.

## Placement guide for Formula Cars only

**Formula cars:** All formula car racers will use the following guidelines.

No MAZDASPEED decal, 16" (minimum) Mazda name on each engine cover, The Vertical format Winged-M over Mazda (as shown in the bottom right corner of this page) on the nose of the vehicle, and the 5" Mazda patch on the driver's suit.

## Installation

Most decals install easier by first squirting a heavy mist of soapy water onto the surface. This allows the decal to be repositioned. Squeegee out any excess water and bubbles before removing top paper layer, peeling back at a right angle.

Place 26" length MAZDASPEED logo decal on foremost part of hood.

You can use Silver, Black, Blue, White or Orange. Orange is *NOT* available through Mazda.

Place a 22" length (minimum) Mazda logo decal on each rear quarter panel above wheel opening (note the brand symbol or "winged M" should no longer be used with Mazda decal on the rear quarter panels). Mazda Decals are available in white, black, silver and blue (no other color may be used).

## Notes and optional decals

Mazda carries 72" decals with the Winged-M logo and Mazda name in the horizontal format for use on your trailer or tow vehicle. They are available in black, white or silver. We also carry a 36" MAZDASPEED logo in black, white, silver or blue. Please call us if you don't see your intended application listed here. 800-435-2508

Horizontal Format

The vertical format Winged-M over Mazda is specifically designed for the nose of formula cars.

**ZOOM-ZOOM**

Zoom-Zoom decals and the new MAZDASPEEDMotorsports.com decals are completely optional and may be displayed anywhere.
