RE: Covid-19 Update

ARMS will continue to monitor the COVID-19 situation; an unprecedented and fast changing situation affecting all of our communities.

The health and safety of our whole motorsport community is paramount. ARMS & its affiliated clubs will be complying with all provincial pandemic requirements. This applies to both motor sport events, and club meetings/gatherings.

All events are cancelled until June 1st 2020. The situation will be reassessed mid-April to determine the calendar for the rest of the season.

Further notification of postponement or cancellation will be communicated:

- via email to club presidents to disseminate to their memberships
- Published on the ARMS calendar
- Published on ARMS social media platforms

Please understand this is not how we envisioned our 2020 season, so let's respect the recommendations to ensure we can have a more productive 2021.
