RE: Covid-19 Update

ARMS will continue to monitor the COVID-19 situation; an unprecedented and fast changing situation affecting all of our communities.

The health and safety of our whole motorsport community is paramount. ARMS & its affiliated clubs will be complying with all provincial pandemic requirements. This applies to both motor sport events, and club meetings/gatherings.

All Regional Level Events (including Time Attacks, Race Events/Race Schools) are cancelled until August 1st 2020. The situation will be reassessed mid-July to determine the calendar for the rest of the season.

Club level events may proceed if deemed appropriate by the Club and allowed by the Province. The Club must meet all Provincial Health and Safety guidelines related to events held during the current Covid-19 pandemic and all requirements mandated by ARMS (i.e Insurance, permits, etc.).

Please understand this is not how we envisioned our 2020 season, so let's respect the recommendations to ensure we can have a more productive 2021.
