- 14.1.4.** Hearsay, conjecture and unsupported opinion may be considered vexatious.
- 14.1.5.** Vexatious is defined as of little or no significance or importance, annoying, disturbing.
- 14.1.6.** Protests that are deemed not well founded, may also be vexatious and may be denied. In such instances the protest fee shall be retained, and further penalties may be applied.
- 14.1.7.** Participants involved in a dispute or protest shall remain at the event for the protest period, and for any reasonable period of time beyond as may be requested by the Steward(s).
- 14.1.8.** Competitors who do not comply or cannot be easily contacted, are subject to judicial proceedings and penalties being applied in their absence. In such cases where penalties are applied, the possibility of appeal is forfeited. Any penalty applied shall remain in force.
- 14.1.9.** Nothing in this Regulation shall affect or prejudice the right and duty of any official to take such action as deemed proper in any circumstance, regardless of whether a protest has been lodged.
- 14.1.10.** It is the protestor's responsibility to understand and comply with these Protest procedures, and no claim for misunderstanding of any kind will be accepted.

14.2. Time Limits for Protests

The Steward(s) may extend a time limit but only for reasons of Force Majeure. Otherwise, for a protest to be considered it must be lodged with the Stewards in accordance with the following time schedule:

14.2.1. Protesting the Eligibility of a Vehicle

When the alleged ineligibility of a vehicle, or a component of a vehicle is apparent, within 30 minutes after the end of the track session in which the alleged infraction is observed.

When the alleged ineligibility is not apparent, but it is alleged that the vehicle is performing in a manner which suggests that it is ineligible, within 30 minutes after the end of the track session in which the infraction is alleged to have occurred.

14.2.2. Protesting Results

A protest concerning the results of an event, within 30 minutes of the posting of the results of the session.

14.3. Videotape, Digital Video and Digital Still Image Evidence

If a competitor wishes to submit videotape, digital video or digital still images of an incident in support of a protest, it shall be surrendered in its original, unedited format to the Steward(s), within 30 minutes of the end of the session in which an incident is alleged to have occurred.

If a competitor wishes to submit videotape, digital video or digital still images of an incident in defense of a protest, it shall be surrendered in its original, unedited format to the Steward(s), within 30 minutes of the notification of the protest to the competitor.

Competitors submitting videotape, digital video or digital still images shall provide at the same time the means to view the videotape, digital video or digital still images or the videotape, digital video or digital still images shall not be allowed as evidence.

The Steward(s) reserve the right to preview videotape, digital video or digital still images and decide on its acceptance as evidence. This decision shall be final and binding on all parties for the purposes of a protest.

Should a videotape, digital video or digital still images be considered as valid evidence the competitor and/or entrant involved shall be allowed to view the videotape, digital video or digital still images only in the presence of the Steward(s) or a designate.

Once a videotape, digital video or digital still images has been submitted as evidence it shall be impounded, whether accepted as evidence or not, until the time limit for giving Notice of Intention to Appeal has passed and such notice has not been given.

In the event that a Notice of Intention to Appeal is given, the videotape, digital video or digital still images or a copy of the original created by a method approved by ARMS will be held by ARMS until the appeal hearing is conducted.

14.4. Protest of a Vehicle

Only drivers, or their parent/guardian if the driver is under the age of majority in the province of jurisdiction, entered in an event in the same class may protest the eligibility of another vehicle. A protest can only be submitted by an individual, and cannot be collective.

In such cases the protestor shall clearly state the exact Regulation(s) alleged to have been violated, and shall additionally stipulate the component(s) that are to be inspected. Components are defined as and include engine, chassis, tires, bodywork. Such Inspections shall be performed under the supervision of the Technical Delegate. If a decision based on the inspection gives rise to an appeal by either party to the protest, protest fee shall be retained until a final decision is made.

If the vehicle is found to be in conformity, the protestor will forfeit the protest fee to ARMS.

Failure of the entrant and/or driver of a protested vehicle to allow inspection under the terms of this Regulation shall result in immediate exclusion and other penalties applied.

A protest under this Regulation may be reduced in scope by the protestor, but not added to, at the time the fee is paid. Once the fee is paid, the stipulated inspections must be completed, except if entirely or partially withdrawn by the protestor before the inspection begins.

If a protest under this Regulation is withdrawn completely by the protestor prior to the commencement of the inspection, the Steward(s) shall return the protest fee to the protestor less \$50.00.

14.5. Lodging a Protest

The protest must be submitted on an approved Protest Form (or facsimile) provided by the organizer of the event. The Steward(s) or the Clerk of the Course will be provided with copies of the approved Protest Form for distribution by the event organizer.

All protests must be addressed to the SOM.

Every protest shall be made in writing, and;

14.5.1. Specifying which part(s) of these Regulations, Club Regulations, Series Regulations or Event Supplementary Regulations considered to have been violated and by whom.

14.5.2. Providing names of witnesses, if any.

14.5.3. Providing videotape, digital video or digital still image evidence if involved.

14.5.4. Signed by the driver or their parent/guardian if the driver is under the age of majority in the province of jurisdiction making the protest.

14.5.5. Accompanied by the required protest fee payable to ARMS.

14.5.6. Delivered to the Clerk of the Course/Race Director or the Steward(s) within the time limit specified within these Regulations.

14.6. Hearing a Protest

The Steward(s) shall hear all protests. The Steward(s) can form a Protest Board to hear protests. All parties concerned shall be given notice of the time and location of the hearing.

The Steward(s) shall determine if the protest was submitted in full accordance with these Regulations. Failure of the protestor to comply with all of these conditions shall result in the return of the protest without hearing and the retention of the protest fee by ARMS.

The onus is always on the protestor to properly present a protest, and no claim based on lack of knowledge of these or Club or Series or Event Supplementary Regulations shall be allowed.

The driver and their parent/guardian if the driver is under the age of majority in the province of jurisdiction submitting the Protest must attend the Protest Hearing.

Protestors at a hearing shall themselves (or with the assistance of a designated translator if language difficulties exist) state their case in person and are entitled to call witnesses and shall be responsible for the prompt availability of any witnesses called. Should a protestor designate a translator for purposes of stating or arguing a protest, the words of the translator shall be deemed to be those of the protestor.

In the absence, or undue delay in attendance, of any party to a protest, judgment may proceed by default.

Every effort must be made to handle protests at the event where witnesses can present evidence pertaining to the protests.

14.7. Judgement from a Protest Hearing

All parties concerned shall be bound by the decision given, subject only to the Appeal Proceedings as provided in these Regulations.

14.8. Protest Fees

The fee for a Protest is \$100.00 which must be submitted at the time of submitting the Protest.

In all cases a minimum of \$25.00 of a protest fee will be retained by ARMS.

If a protest is upheld the balance will be returned.

If the protest is deemed to be not well founded, the entire fee will be retained by ARMS.

If the protest is deemed vexatious the protestor shall be deemed guilty of a breach of these Regulations, shall forfeit the protest fee, and may be further penalized for this breach.

14.9. Notice of Decision

When a decision is made on a protest the person submitting the protest will be given a written explanation of the decision by the Steward(s) and/or the Clerk of the Course and/or the Technical Delegate if the protest is resolved at the event. If the protest cannot be resolved at the event it may be forwarded by the Steward(s) to the sanctioning body, affiliated club or organization having immediate jurisdiction for resolution. The status of the protest or the decision will be explained in the Steward(s) and/or the Clerk of the Course's Event Report.

A copy of the explanation must be attached to the Steward(s) and/or the Clerk of the Course's Event Report if one is prepared.

Every effort must be made to resolve the protest before the competitor leaves where the event is being held. If this is not possible, the competitor will be informed by the best available method including mail, courier, fax or email by the sanctioning body, affiliated club or organization having immediate jurisdiction not more than 72 hours after completion of the event of the status of the protest and how and when the protest is expected to be resolved.

Late or non-receipt of a Notice of Decision form does not affect the validity of the decision.

14.10. Publication of Judgements

ARMS shall have the right to publish or cause to be published a judgment of a protest and to state the names of all parties involved. The persons or bodies referred to in such a notice shall have no right of action against the ARMS or against anyone printing or publishing said notice.

15. Appeals

15.1. Request for Appeal

Except where excluded in these Regulations, a driver or their parent/guardian if the driver is under the age of majority in the province of jurisdiction may submit a Request for Appeal of a decision that was rendered by an Official in the form of a written letter.

The fee for a Request for Appeal is \$200.00 which must be submitted at the time of filing a Request for Appeal.

In all cases a minimum of \$50.00 of the Appeal fee will be retained by ARMS. If a decision is in favour of the appellant or the Request For Appeal is not allowed, the balance will be returned to the appellant.

A Request For Appeal does not mean the Appeal will be allowed automatically.

Appeal proceedings of ARMS are designed to expedite sporting disputes in a timely and efficient manner and do not necessarily follow practices or formalities normally associated with those of the legal profession.

It is the appellant's responsibility to understand and comply with these Appeal procedures, and no claim for misunderstanding of any kind will be accepted.

15.2. Grounds for Appeal Requests

The grounds for a Request for An Appeal are any of the following allegations;

15.2.1. The Race Official has dealt with the case using improper procedures.

15.2.2. New substantial evidence and/or expert testimony relating to the case that could not have been readily available at the time of the application of the original decision by the Race Official.

An Appeal will not be granted for a repeat presentation of the original protest.

15.3. Time Limit

The Appeal process may not begin until 24 hours after the completion of the event, or 24 hours after the Notice of Penalty is received by the competitor. Upon notification of exclusion, suspension, termination or penalty, an individual shall have the opportunity to request Appeal proceedings, providing such a request is made in writing within 5 days of the notification date of exclusion, disqualification, suspension, termination or penalty.

A Request For An Appeal letter, signed by the appellant, must be submitted in an absolutely clear and legible form otherwise it may be denied without further action.

A Request For An Appeal may be withdrawn with the agreement of ARMS. If the appeal is withdrawn a minimum of \$50.00 of the appeal fee will be retained by ARMS.

15.4. Effect of Requesting an Appeal

Notice of Request for An Appeal shall not affect the validity of enforcement of any decision, penalty or sentence appealed against.

The Steward(s), if notified of intention to submit a Request for An Appeal, may permit a competitor to continue to participate in a competition if the matter arises during an event.

This decision itself cannot be appealed. The Steward(s) may require that awards which may be affected by the outcome of the appeal to be withheld pending the outcome of a Request for An Appeal.

15.5. Required for Submissions

A Request for An Appeal shall only be submitted in person, by mail, courier, fax or email. It is the responsibility of the person submitting the Request for Appeal to confirm that it has been received by ARMS within the time limit.

A Request for An Appeal must contain sufficient information to allow ARMS to determine how a dispute will be managed, and whether or not formal Appeal Proceedings will take place. Failure of the appellant to provide sufficient information will result in the rejection of the appeal without a hearing and forfeiture of the appeal fee.

A Request for An Appeal shall specify in full;

15.5.1. The grounds for claiming that an Official acted improperly, clearly indicating which part(s) of any Regulations are considered to have been enforced in a manner that was not fair or equitable to the appellant.

15.5.2. The grounds for claiming that an Official acted improperly, clearly indicating which part(s) of any Regulations are considered to have been enforced in a manner that was not fair or equitable to the appellant.

15.5.3. A list of witnesses, and their telephone numbers, that the appellant may wish to call, a description of their involvement in the incident in question, and the general nature of their testimony.

The Request for An Appeal shall bear the signature of the appellant or an authorized representative of the appellant accompanied by a letter authorizing the representative to act on behalf of the appellant and shall include the address to which communications should be sent with a telephone number, and a fax number if available.

ARMS reserves the right to preview any videotape, digital video or digital still images submitted and decide on its acceptance as evidence. This decision shall be final.

15.6. Decision to Grant Appeal

ARMS will decide if a Request for An Appeal is well founded.

Should an appeal not be granted; the appeal fee will be returned less the \$50.00 administration fee.

ARMS reserves the right to settle any dispute that may be referred to in a Request for An Appeal without submitting the case to Appeal Proceedings.

Should ARMS deem that a Request for An Appeal is vexatious in nature the entire appeal fee will be forfeited and further penalties may be applied.

15.7. Appeal Proceedings

An Appeal may be handled administratively by ARMS without a formal hearing.

When a formal hearing is deemed necessary by ARMS, an Appeal Chairperson will be appointed by ARMS. The Appeal Chairperson will attempt to convene and hear an appeal no later than 1 week after the decision to grant an appeal hearing.

Notice to the appellant indicating the time and place for the hearing will be given. It is incumbent upon the appellant to assemble any witnesses at the appointed place and time.

The driver and their parent/guardian if the driver is under the age of majority in the province of jurisdiction who submitted the Request for Appeal must attend the Appeal Hearing.

At a formal Appeal Hearing the appellant may present evidence and may call witnesses. The appellant may have counsel present with the permission of the Appeal Chairperson but must always present their case personally. The Appeal Chairperson may hear evidence and witnesses in any manner deemed by the Chairperson to be appropriate, relevant or necessary.

15.7.1. Provision for Expedited Appeal

ARMS alone may arrange at its discretion the alteration of the appeal process so as to provide an Expedited Appeal.

An Expedited Appeal may be dealt with by ARMS immediately after a decision of a Race Official has been given, and a Notice of Intention to submit a Request for An Appeal has been submitted by the appellant.

The results of such an Expedited Appeal shall be final and binding on all parties.

15.7.2. Jurisdiction of Appeal Proceedings

Appointees to Appeal Proceedings shall not participate or sit in judgment if they have taken part as competitors, officials, organizers, promoters or sponsors in the competition which involves the subject of the appeal, or who have been directly involved in the matter under consideration.

15.7.3. Judgement of Appeal Proceedings

After considering the material deemed relevant to reach a decision, an Appeal Chairperson shall prepare a written judgment. An existing penalty may be nullified, mitigated, affirmed, increased, or a different penalty imposed. A competition cannot be rerun nor an event schedule revised.

15.7.4. Appeal Judgement is Final

Appeal judgments constitute the final court of appeal to settle any dispute arising out of or in connection with a Club or Series competition and no further action may be taken by the appellant.

15.8. Conduct After Judgement

Any participant who, subsequent to an Appeal judgment, discredits or attempts to discredit the judgment shall be subject to disciplinary action.

Appendix A: Ken Vaughn Memorial Award

Established 1987

The Ken Vaughn Memorial Award is presented to an ARMS member who over the years has made an outstanding volunteer contribution to the betterment of ARMS. This could be as an organizer, a competitor, an official, a volunteer or all of them in all aspects of ARMS.

For those who did not know Kenny he was all of those. You would see him at many events put on by CASC-AR, at the time, either in the car as a competitor or organizing or helping the organizer. Sadly, Kenny passed away due to cancer at a young age, in 1985, leaving a wife and two infant daughters.

Appendix B: Les Fraser Award

The Les Fraser Trophy is awarded annually to the ARMS racing participant who best displays the attitude of 'sportsmanship' that Les himself embodied. It may be awarded to a racer, official, marshal, crew member, or other volunteer. The trophy was donated jointly by two of Les' racing friends, Dave Charters and Bob Guthrie, and has been awarded every year since 2008.

Les first got involved in rallying in the late 1960s and early 1970s and did some auto slalom at that time. But he was not able to pursue his passion for racing until he retired in 2002. He took on three part-time jobs so he could afford to race. Les did the race school in 2004 and started racing in a red Honda CRX (# 90) in September that year. His racing career was not long – only four seasons, cut short by his battle with cancer, which claimed his life in June 2008. But in that short time he left his mark, not as the fastest driver, but as the one who seemed to take the most sheer pleasure out of being on the track, competing with his friends, even at the back of the pack. In the paddock Les exuded friendship, courtesy, a willingness to help, and a sense of fun. It was a pleasure to be around him.

All the recipients since have displayed those qualities. So, the Les Fraser Trophy is more than just an award to a deserving person. It is a reminder of what our racing community should be all about and what all of us should strive to be.
